Notes on Statistical Tables

1. The statistics include candidates for Tripos and Preliminary examinations whether undergraduates, affiliated students or graduates.

2. The statistics exclude candidates who took examinations as candidates 'not for honours' (with the exception of Part III of the Mathematical Tripos), candidates who have received allowances made by the Applications Committee of the Council; and candidates for the following: -

   (i) Diploma and Certificate examinations
   (ii) Oral examinations in Modern Languages
   (iii) Mus. B. examination
   (iv) Unclassified preliminary examinations (in History, Classics, Theological and Religious Studies and Education Studies) and the First Examination for the Degree of Bachelor of Theology for Ministry. These are shown on separate tables so that they shall not affect the percentages in the general tables.
   (v) Students who have spent the year studying at MIT or who are studying in Paris as part of the Double Maîtrise. These students are separately identified in Table 12.

3. In Part III of the Mathematical Tripos, a pass with distinction or merit has been counted for statistical purposes as Class I, a pass as Class II, division i. In Part II of the Manufacturing Engineering Tripos and Part IIB of the Engineering Tripos a pass with distinction has been counted for statistical purposes as Class I, a pass with merit as Class II, division I, a pass as Class II, division ii. This applies whether or not the candidate is a candidate for honours.

4. The class obtained in each language by candidates entered for two languages for Part IA of the Modern and Medieval Languages Tripos has been counted as a half class.

5. The heading OTHER includes (but does not differentiate between): -

   (i) Candidates who failed their examinations
   (ii) Honours candidates who have received an allowance from the Examiners (but NOT the Council - see 2 above).
   (iii) Candidates about whom an application has been submitted to the Applications Committee but who have not yet received an allowance.

5. Please note that these statistics are provided for internal purposes only. Information relating to specific Colleges may not be released without their consent. Tables giving figures for the whole University will be published in the *Reporter* in August and may then be released outside the University with suitable acknowledgement.
